US-093-549-8

Sequence 8, Application US/09053549

Sequence 8, Application US/09053549

Patent No. 6121521

GENERAL INFORMATION:

APPLICANT: Desat, Nalini

TITLE OF INVENTION: No. 6121521el Insecticidal Protein and Gene

CORRESPONDENCE ADDRESS:

ADDRESSEE: No. 6121521artis Corporation

STREET: 3054 Cornwallis Rd.

CITY: Research Triangle Park
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       STATE:
COUNTRY: USA
ZIP: 27709
ZIP: 27709
COMPUTER READABLE FORM:
MEDIUM TYPE: Floppy disk
COMPUTER: IBM PC compatible
OPPRATING SYSTEM: PC-DOS/MS-DOS
SOFTWARE: PAtentin Release #1.0, Version #1.30
CURRENT APPLICATION NUMBER: US/09/053,549
FILING DATE: 01-APR-1998
CLASSIFICATION: 800

Parasporal crystal protein - Bacillus thuringiensis (strain aizawai IPL7)

N.Alternate names: 135K insecticidal protein

N.Alternate names: 135K insecticidal protein

C.Species: Bacillus thuringiensis

C.Species: Bacillus thuringiensis

C.Sacession: JT0241

R.Shimizu, M.; Oshie, K.; Nakamura, K.; Takada, Y.; Oeda, K.; Ohkawa, H.

Agric: Biol. Chem. 52, 1565-1573, 1988

A.Title: Cloning and expression in Escherichia coli of the 135-kDa insecticidal protein

A, Reference number: JT0241

A, Molecule type: DNA

A, Molecule type: DNA

A, Residues: 1-1176 - SHI>

A, Molecule type: DNA

A, Residues: 1-1176 - SHI>

A, Cross-references: UNIPROT: P02965

A, Note: b. thuringiensis aizawai IPL7 produces similar 130K and 135K insecticidal protein

C, Superfamily: parasporal crystal protein

C, Superfamily: parasporal crystal protein

C, Superfamily: parasporal crystal protein
                                                                                                                                                                                                                                                                                                                      24
